

*Supporting educator grants and student scholarships
including a special scholarship program for foster students.*

This year, the foundation is delighted to announce a Day of Golf benefiting the Cal Coast Cares Foundation on Monday, October 19th, 2020 to give back to local students and educators. This exciting experience will include a day on the links at the majestic Maderas Golf Club in Poway followed by a boxed lunch and a virtual silent auction.

The Cal Coast Cares Foundation was created in 2015 to continue the California Coast Credit Union legacy of supporting the local education community, including teachers, students, and staff. The foundation, a non-profit 501(c)(3), provides scholarships for students and grants to teachers in San Diego and Riverside Counties. None of this would be possible without our generous donors who support our mission to help improve lives in our community.

Help support our foundation and promote your business at the Day of Golf by becoming a partner and joining us for a round of golf. One hundred percent of the proceeds will support the foundation and help transform lives by funding educational opportunities in our community.

COVID-19 Update: The safety and well-being of all those participating in the Day of Golf are of the utmost importance to the Cal Coast Cares Foundation and Maderas Golf Club. State and local safety guidelines will be fully enforced throughout the day and the proper precautions implemented to ensure all are protected during the round. Thank you for your support of the Cal Coast Cares Foundation during these challenging times.
